As per the list attached.

Sir/Madam,

Sub: Review Workshop on commercial culture of SPF *L. vannamei* convened by CAA –
Regarding.

As you are aware, the Coastal Aquaculture Authority (CAA) has been empowered to grant permission, to monitor and inspect the hatchery production and farming of *L. vannamei*, which has been introduced into the country after considerable deliberation and careful examination of issues. Separate Guidelines for regulating hatcheries and farms for introduction of this culture were finalized and brought out under Coastal Aquaculture Authority (Amendment) Rules, 2009. CAA has been following the Guidelines for operation of hatcheries, norms and requirement for approval and operation of farms, etc. for this purpose.

During the current year, 21 hatcheries have been given permission to import SPF *L. vannamei* brood stock from approved suppliers. After ascertaining the bio-security requirements etc. for culture, CAA has so far given permission to about 130 farms in the states of Andhra Pradesh, Tamil Nadu, Gujarat and Maharashtra spread over an area of approximately 1300 ha. for SPF *L. vannamei*. Preliminary reports received from the hatcheries and shrimp farms indicate encouraging trend in the culture of this exotic species.

In order to assess the performance of commercial culture of SPF *L. vannamei* in the country, CAA is convening a **Review Workshop with the stakeholders as detailed below:**

Date of the Workshop: 27th August, 2010

Time: 09.00 hours to 17.30 hours

Venue: Mary Gold Hall, GRT Grand Hotel,

Tyagaraya Nagar,

Chennai – 600 017.

..... Contd. 2

**Contact Person: Shri Jyothi Menon,
Food & Beverage Sales Manager, GRT Grand Hotel
Mobile: 98407-04107.
Tel. No.: 044-2815 0500 (Extn.: 1177)
Fax No.: 2815 0778**

The Workshop shall consist of technical sessions dealing with Hatchery Performance and Seed Production, Aquatic Quarantine, Culture Operation and Issues to Optimise Production and Marketing, Export Requirements, etc. The Workshop would focus on good management practices for sustainable production as well as to analyse the shortfalls and constraints.

You are requested to make it convenient to attend the Workshop stated above to share your experiences with other stakeholders and to learn from the experience of other successful farmers/hatchery operators. The approved hatcheries must depute one representative to participate in the Workshop. One representative from each approved farm must also attend. Your confirmation to participate in the Workshop **may be intimated to us well before 10th August, 2010** in the enclosed Pre-Registration Form in order to make necessary arrangements for conducting the Workshop. If no response is received before this date, it would be presumed that you are not interested in attending the Workshop.

Yours faithfully,

(R. Paul Raj)
Member Secretary
