**Advisory to the Coastal Aquaculture farmers, Input
Manufacturers/Distributors and other Stakeholders**

It has come to the notice of the Coastal Aquaculture Authority (CAA) that certain individuals/agencies are representing themselves as authorized persons/agencies for processing applications relating to Registration and Renewal of Coastal Aquaculture Farms, Registration/Renewal of Coastal Aquaculture Hatcheries, and Certification of Antibiotic-Free Aquaculture Inputs for submission to the CAA for approval.

In this regard, it is hereby informed that the Coastal Aquaculture Authority (CAA) has **NOT AUTHORIZED** any individual, private agency, firm or other entity to process, scrutinize, facilitate or submit applications on behalf of applicants for obtaining approval from the CAA in respect of the above-mentioned activities.

Applicants are therefore advised to submit their applications only through the official procedures and platforms prescribed by the Coastal Aquaculture Authority and to deal directly with the CAA or the designated authorities/officers as applicable.

Applicants are further advised not to make any payment or hand over original documents, login credentials or other confidential information to any unauthorized individual/agency claiming to act on behalf of the CAA.

The CAA shall not be responsible for any financial loss, misrepresentation, misuse of documents or other consequences arising out of dealings with such unauthorized individuals/agencies.

Any person/agency found falsely representing or claiming to be authorized by the CAA for processing such applications will be liable for appropriate action under the applicable laws.

All concerned are advised to take note of the above and exercise due caution.

This is issued with the approval of the competent authority.
