F.No.76-2/2015-Tech/AQI (Regn)

08 October 2018

## Advisory

CAA has been registering antibiotic-free aquaculture inputs categorised namely as Chemical, Disinfectant, Drug, Feed Additive, Feed Adult, Feed Larval, Immunostimulant and Probiotic. The following documents need to be submitted along with application while applying for registration of aquaculture inputs.

1. Duly filled in application for registration of aquaculture inputs (downloaded from CAA website - [www.caa.gov.in](http://www.caa.gov.in))
2. Demand draft of Rs.10,000/- in favour of COASTAL AQUACULTURE AUTHORITY, payable at Chennai, for processing fee per product registration
3. Brochure and labels with content indicating composition, dosage, batch number, expiry date and other details.
4. Manufacturing process stepwise (Flow chart).
5. Original antibiotic test report from NABL accredited labs (LC-MS-MS).
6. Original lab report for test done recently (not older than a month) should be submitted along with the application
7. Test sample of the input product of 500g or 500ml dry powder or liquid respectively.
